

Anti-Shock Mat

Shocks are reduced by 85%

The thickness of the mat protects against impact when loading and unloading your vegetables, or other crops.

Easy Installation
Non-stick surface
Unique fixation
Dismountable

The ANTI-SHOCK mats, installed at the bottom of your trailers, will allow you to prevent damage to your potatoes, onions, and other vegetables, etc.

For higher yields of better quality, opt for ANTI-SHOCK mat supplied by ProAg Distribution.
